### Dividend Policy

It is the objective of Bentley to provide a regular and stable distribution to shareholders after the announcement of its half year and full year operating results. These results are normally announced at the end of February and August each year and Bentley will endeavour to announce its proposed distribution at this time.

Bentley intends to make annual distributions to shareholders of at least one cent per share, to the extent permitted by law and subject to prudent business practice. It is envisaged that shareholder distributions will be made twice per year. Dividends will be franked to the extent that available franking credits permit. Capital returns will be subject to prior shareholder approval
