Dividend Reinvestment Plan (DRP)

Bentley's DRP will apply to this dividend. The Directors have determined that the DRP issue price will be at a 2.5% discount to Bentley's volume weighted average price on ASX in the 5 day period up to and including the dividend record date. Bentley will lodge a market announcement advising the final DRP issue price after the record date.

New or updated <u>DRP Application Forms</u> should be lodged with Bentley's Share Registry (<u>Advanced Share</u> <u>Registry Services</u>) by 5:00pm (Perth Time) on Friday, 18 August 2017.

Shareholders do not need to re-confirm their existing DRP elections.

Shares issued under the DRP will rank equally with existing shares.

¹ Bentley has paid a distribution to shareholders every year (save on 4 occasions in its 31 year history) since its admission to ASX in 1986. Refer to Bentley's website for full distribution history: http://bel.com.au/investors

As announced on 1 August 2017, under the updated DRP Rules, Bentley may (at the Directors' discretion) acquire and transfer existing shares or issue new shares (or a combination of both) to DRP participants. The acquisition of existing shares on-market to satisfy Bentley's obligations under the DRP will neutralise the dilutive effect associated with issuing new shares at a discount to market and Bentley's net tangible asset (**NTA**) backing.

Dividend Policy

It is the objective of Bentley to provide a regular and stable distribution to shareholders after the announcement of its December half year end and June year end NTA backing results. These NTA backings are normally announced in mid January and July each year respectively and Bentley will endeavour to announce its proposed distribution at this time.

Bentley has brought forward these distribution announcement dates under its recently updated Dividend Policy³³ as previously, Bentley announced its proposed distribution after the release of its half year and full year operating results at the end of February and August respectively. This change in policy is due to Bentley having a reasonable current level of Profits Reserve to fund a dividend distribution, which means Bentley is not reliant on funding dividends only from net profits generated in respect of a half year or full year period.

Bentley intends to make annual distributions to shareholders of at least one cent per share, to the extent permitted by law and subject to prudent business practice. It is envisaged that shareholder distributions will be made twice per year. Dividends will be franked to the extent that available franking credits permit. Capital returns will be subject to prior shareholder approval

Dividend Donation Scheme

Bentley is in partnership with the shareholder investment programme of the <u>Children's Hospital</u> <u>Foundations Australia</u>⁴, a national fundraising organisation supporting Australia's five major children's hospital foundations. Through a single gateway, Children's Hospital Foundations Australia has unique access to a national network of children's hospitals providing 1.6 million treatments for children each year.

Bentley encourages all shareholders to participate in the Company's Dividend Donation Programme, particularly those receiving smaller dividend cheques where the amount of the dividend can be less than the transaction and processing costs incurred by the Company with respect to payment of such dividend.

A copy of a <u>Dividend Donation Election Form</u> may be obtained from the Company or downloaded from the Company's website: <u>http://bel.com.au/forms</u>

Payment of Dividends via Bank Transfer

Bentley advises that dividends will be paid (for those shareholders who have not elected to participate under the DRP or Dividend Donation Scheme) only via electronic funds transfer into a shareholder's nominated Australian Bank Account. To reduce costs and administration, dividends will no longer be paid by cheque.

Shareholders who wish to receive their dividends via bank transfer should complete a <u>Direct Credit</u> <u>Facility Form</u> and return it to the Company or the Share Registry by 5:00pm (Perth Time) on Friday, 18 August 2017 for processing.

Accumulated (unpaid) dividends will be paid out upon receipt of a shareholders' nominated Australian Bank Account.

(31 July 2017)

The Board of Directors of Bentley Capital Limited (ASX:**BEL**), invite you to participate in the Company's Dividend Reinvestment Plan (**DRP** or **Plan**).

The DRP gives you the opportunity to reinvest some or all of your dividend income from your BEL shareholding in additional BEL shares. As there are no transaction costs incurred by participants in the DRP, the Plan provides you with an economical and convenient way to purchase additional shares.

If you would like to participate in the DRP, please complete a DRP <u>Application Form</u> and return it prior to the due date (being 5:00 pm (Perth time) on the first business day after the dividend record date) to our Share Registry:

Advanced Share Registry Services

PO Box 1156 or Nedlands WA 6909 Telephone : (08) 9389 8033 Email: <u>admin@advancedshare.com.au</u> 110 Stirling Highway Nedlands WA 6009 Facsimile : (08) 9262 3723

Your participation in the DRP will be effective on receipt of your application.

If you have any queries about the DRP please contact the Share Registry.

For further information about BEL please visit our website <u>www.bel.com.au</u> or telephone (08) 9214 9757.

The main features of the DRP are set out below. Please also read the attached Plan Rules.

NUMBER OF SHARES RECEIVED

The number of shares you receive will be calculated by dividing the dividend payable to you by the DRP market price of BEL shares. The DRP market price will be based on the weighted average price of BEL shares sold on the Australian Securities Exchange (**ASX**) during the 5 trading days immediately prior to and inclusive of the record date for the relevant dividend, discounted by an amount determined by the Board of Directors from time to time.

COST

Any costs associated with the DRP will be met by BEL. The Plan enables you to acquire additional shares in BEL without incurring brokerage, commissions or other transaction costs.

WHO CAN PARTICIPATE?

The DRP is open to all Australian and New Zealand resident shareholders of BEL who have an Australian or New Zealand address recorded on the share register. Other shareholders may also participate in the Plan subject to the approval of the Board of Directors.

FLEXIBILITY

Participation in the DRP is optional. You may join the Plan, vary your election or withdraw from the DRP at any time. Any changes that you make will be effective from the record date following the election. You may also choose to have only a percentage of your dividend payment reinvested as part of the DRP (subject to minimum participation of 100 shares), with the remainder of the dividend being paid to you in cash rather than being reinvested.

If you sell your shares, the shares will no longer participate in the DRP.

If you wish to continue to receive all dividends in cash, you do not need to do anything.

SHARES RANK EQUALLY

Shares issued or transferred under the DRP will rank equally with existing BEL shares and will be listed on the ASX.

RESIDUAL AMOUNTS

Any residual amount of dividend that remains after calculating the number of shares that you will receive under the DRP, will be carried forward in your Plan account, and added to your next dividend for the purpose of calculating the number of BEL shares that you will receive under the DRP in respect of the next dividend.

TAXATION AND FINANCIAL ADVICE

Dividends that are reinvested as part of the DRP will be treated for tax purposes in the same way as dividends that are paid directly to shareholders. It is recommended that you obtain professional taxation and financial advice regarding your participation in the DRP.

DIVIDEND STATEMENTS

After the payment of a dividend you will be sent a statement containing information on the dividend payment and your participation in the DRP. The statement will include the record date, the total dividend payable and the extent to which it was franked, the numbers of shares allotted or transferred to you under the DRP, and the price at which they were allotted or transferred.

MODIFICATION OF THE DRP

The Directors may modify the terms of the Plan or terminate or suspend the operation of the DRP in accordance with the Plan Rules.

The contents of this document does not constitute financial product advice provided by BEL. If you are considering participating in the Plan, you should obtain independent advice before deciding whether or not to participate.

QUESTIONS AND ANSWERS

1. Who can participate in the Plan?

Subject to the paragraph below, shareholders of BEL who hold at least 100 shares and whose registered address or place of residence is in Australia or New Zealand are eligible to participate in the Plan.

BEL may in its discretion allow other shareholders to participate in the Plan.

2. Is participation optional?

Yes. The decision is yours. You will continue to receive a cash dividend if you do not join the DRP.

3. **Can I participate partially?**

Yes. You can participate in the Plan in respect of all of your shares in BEL. Alternatively, you can nominate the number of your shares that you wish to participate in the Plan provided that you nominate at least 100 shares. Your dividend entitlement on your shares not participating in the Plan will be paid in cash.

4. How do I participate?

Read this Summary and the attached Rules of the Plan carefully and complete and return the enclosed Application Form to the BEL Share Registry at:

Advanced Share Registry Services					
PO Box 1156		or	110 Stirling Highway		
Nedlands W	VA 6909		Nedlands WA 6009		
Telephone :	(08) 9389 8033		Facsimile : (08) 9262 3723		
Email:	admin@advance	dshare.co	om.au		

If you are considering participating in the Plan, you should obtain independent advice before deciding whether or not to participate.

5. When will my participation start?

Your participation starts with the first dividend payment after BEL receives and accepts your application form. The application form must be received by 5pm on the day for determination of dividend entitlement to be effective for that dividend (the record date announced for the relevant dividend).

6. What if I have more than one BEL shareholding?

You will need to complete separate Application Forms for each shareholding registered under different names or each shareholding bearing different shareholder reference numbers or holder identification numbers.

7. Can I change my participation?

Yes. You may vary your level of participation or withdraw from the Plan at any time by completing and returning to BEL a form that the BEL share registry will provide to you on request.

8. **How does the Plan operate?**

BEL will establish a separate DRP account for you. The dividend payable on your shares (less any deductions) will be applied to subscribe for or acquire the number of BEL shares which can be acquired or transferred by dividing the amount in your account by the relevant price per share (see question 9) and rounding down to the nearest whole number.

BEL will retain and carry forward (without interest) in your account any balance of the dividend payable on your shares and add it to the next dividend.

9. At what price will the shares be issued or transferred to you?

Under the Plan, each share is issued or transferred at the Market Price, which is the weighted average price per share of all of BEL's shares sold in the ordinary course of trading on ASX in the 5 trading days immediately prior to and inclusive of the record date for the relevant dividend, discounted by an amount determined by the Board of Directors from time to time in its absolute discretion.

The Board may vary the amount of the discount to the Market Price from time to time in its absolute discretion.

10. What does it cost to participate?

Nothing. You will not be charged brokerage or other transaction costs on shares issued or transferred under the Plan.

11. Will my additional shares be the same as my current shares?

Yes. Shares issued or transferred under the Plan rank equally with existing fully paid BEL shares and BEL will apply for new shares issued under the Plan to be listed on ASX.

12. Can I sell my shares issued or transferred under the Plan?

Yes, at any time after the shares have been issued or transferred to you.

13. What if I only sell a portion of my shares?

If you sell some of your shares then, unless you advise BEL to the contrary, the shares sold will be taken to reduce firstly, your non-participating shares and secondly, your participating shares.

14. When will I receive a notice?

As soon as practicable after your shares are issued or transferred under the Plan, you will be sent a statement giving details of the dividend and your new shares.

15. What about tax?

For Australian tax purposes, dividends reinvested in shares are usually taxed as though a cash dividend is paid and the dividend is then applied to acquire shares. The amount of the dividend and any franking credits is included in assessable income, with a tax offset potentially available if (and to the extent) the dividend is franked. For capital gains tax purposes in Australia, shares issued or transferred under the Plan will have a cost base equal to the amount of the cash dividend which is reinvested.

The tax position may vary for shareholders who are not residents of Australia, for shareholders who are not individuals and for shareholders who hold their shares other than for investment purposes. BEL does not take any responsibility for the taxation liabilities of shareholders under the Plan. You should obtain independent advice in relation to the tax implications of participating in the Plan.

16. **Can the Plan be changed or cancelled?**

Yes. BEL may at any time vary, suspend or terminate the Plan. You will be given notice of this.

17. What if I have any enquiries?

If you have further queries about how the Plan operates and how you can participate, please contact the BEL Share Registry, Advanced Share Registry Services, on telephone (08) 9389 8033.

This Summary contains important information. If you have any investment or taxation queries or have any doubt about whether to participate, you should obtain independent advice before deciding whether or not to participate.

9.2 Methods of Termination

A Participant is taken to have terminated participation in the DRP on:

- 9.2.1 receipt by BEL of an Application Form in accordance with Rule 9.1;
- 9.2.2 registration of a transfer of all of the Participant's Participating Shares;
- 9.2.3 termination of the DRP by the Board in accordance with Rule 11;

9.3 Joint Shareholders

For the purposes of Rule 9.2, the death of any one, two or more joint Shareholders does not automatically terminate participation by the remaining Shareholder of joint Shareholders.

9.4 **Participating Share**

A Share which has ceased to be a Participating Share is not prohibited from subsequently becoming a Participating Share.

10. APPLICATION FORM AND NOTICES

10.1 **Form**

All notices shall be in writing and in such form as BEL may from time to time require.

10.2 Shareholder Reference Number or Holder Identification Number

Applications must be made and notices must be given by the Participant separately in respect of each holding of Shares identified by a separate Shareholder Reference Number or Holder Identification Number in the books of BEL.

10.3 Effect

- 10.3.1 these Rules;
- 10.3.2 in the case of an application to become a Participant, acceptance by BEL;
- 10.3.3 receipt by BEL by the Due Date (subject to Rule 10.3.4). Applications and notices received after the Due Date shall be deemed to have been received on the day following the next Dividend Payment Date; and

- 11.1.1 vary the DRP, including the Rules and any agreement relating to the DRP;
- 11.1.2 suspend the operation of the DRP;
- 11.1.3 recommence the operation of the DRP; or
- 11.1.4 terminate the DRP.

Without limiting the foregoing or Rule 3.3 or Rule 3.4, the Board may alter, add to or otherwise vary the DRP or the Rules in any way which causes:

- (a) provisions different from those generally applying to the DRP to apply in relation to participation in the DRP by persons resident in, connected with or subject to the laws of any place outside Australia or New Zealand where the Board is of the opinion that to do so is necessary or desirable to enable participation by those persons, or
- (b) Shares held by or on behalf of persons resident in, connected with or subject to the laws of any place outside Australia or New Zealand to be ineligible to participate in the DRP where the Board is of the opinion that it is not practicable, possible or desirable to extend participation to Shares so held.

11.2 Notice of variation, suspension and termination

BEL will give each Participant notice of any termination, variation, suspension or recommencement of the DRP as it considers appropriate.

11.3 **DRP Statement on Termination**

If the DRP is terminated under Rule 11.1 or a Participant is otherwise taken to have terminated his or her participation in the DRP under Rule 9.2, BEL will send to each relevant Participant an electronic funds transfer or cheque (at the discretion of BEL) for the balance (if any) retained in the Participant's DRP account.

11.4 **Participation to continue**

If the Board varies these Rules, a Participant continues to participate under the modified DRP unless BEL is notified by the Participant to the contrary by an Application Form.

11.5 Suspension

Any suspension of the DRP under Rule 11.1 will be effective:

11.5.1 on the date determined by the Board and notified to Participants; and

11.5.2 until such time as the Board resolves either to recommence or terminate the DRP.

11.6 **Cessation of Participation**

From the date determined under Rule 11.5.1 until the suspension ceases to have effect under Rule 11.5.2, all Participating Shares will automatically cease to be Participating Shares.

11.7 Recommencement of DRP

If the Board resolves to recommence the operation of the DRP it may direct that Shares which were recorded as Participating Shares immediately prior to the date determined under Rule 11.5.1 be reinstated as Participating Shares with effect from the date of the recommencement of the DRP.

11.8 Conditions of Recommencement

BEL will give notice to Participants of the conditions of recommencement and any directions made under Rule 11.7.

11.9 Non-Receipt of Notice

The accidental omission to give notice of any variation, suspension, termination or recommencement of the DRP to any Participant or the non-receipt of any notice by any Participant does not invalidate the variation, suspension, termination or recommencement of the DRP.

11.10 No Liability

Any variation, suspension, recommencement or termination of the DRP under Rule 11.1 will not give rise to any liability on the part of, or right of action against, BEL or the Board.

12. PARTICIPATION COSTS

No brokerage, commission or other transaction costs and no stamp duty and other duties are payable by Participants on Shares allotted under the DRP.

13. GENERAL

- 13.4.2 represent or warrant that a Participant will gain any taxation advantage or will incur a taxation liability or disadvantage, as a result of participation in the DRP; or
- 13.4.3 will be liable or responsible to any Participant for any loss or alleged loss or disadvantage suffered or incurred by a Participant as a result, directly or indirectly, of the establishment or operation of the DRP or participation in the DRP or in relation to any advice given with respect to participation in the DRP.

DIVIDEND DONATION SCHEME

Bentley is in partnership (since 2009) with the shareholder investment programme of the <u>Children's Hospital Foundations Australia</u>¹, a national fundraising organisation supporting Australia's five major children's hospital foundations. Through a single gateway, Children's Hospital Foundations Australia has unique access to a national network of children's hospitals providing 1.6 million treatments for children each year.

Bentley encourages all shareholders to participate in the Dividend Donation Programme, particularly those receiving smaller dividend cheques where the amount of the dividend can be less than the transaction and processing costs incurred by the Company with respect to payment of such dividend.

A copy of a <u>Dividend Donation Election Form</u> may be obtained from the Company or downloaded from the Company's website: <u>http://bel.com.au/dividend-donation-scheme-%E2%80%93-investing-hope</u>

SHARE DONATION SCHEME

<u>ShareGift Australia</u> is an endorsed charity² that provides a transparent and tax-deductible way for shareholders to convert their shareholdings into significant donations for Australian charities.

This may be particularly attractive to shareholders who hold small parcels of shares that may cost more to sell than the shares themselves are worth.

ShareGift Australia uses the proceeds from the sale of donated shares to distribute to Australian charities (with <u>Deductible</u> <u>Gift Recipient</u> (DGR) Item 1 status) guided by the recommendations received from individual donors and supporting companies.

Donating shareholders will not need to pay brokerage costs and will receive a letter from ShareGift Australia with details of the share sale as a receipt for taxation purposes. Donations over \$2 are tax deductible to the shareholder.

This is a voluntary initiative for those who wish to sell their shares and donate the proceeds to charity. It is not a recommendation to sell shares or a recommendation regarding a normal share sale facility. **If you do not wish to participate**, **you do not need to do anything**.

How It Works

(1) Complete a Share Sale Donation Form

Shareholders complete a <u>Share Sale Donation Form</u>, which authorises the sale of their shares and the proceeds to be directed to ShareGift Australia. Up to the first \$10.00 from each donation stays with ShareGift Australia to support this service.

A copy of a <u>Share Sale Donation Form</u> may be obtained from the Company or downloaded from the Company's website: <u>http://bel.com.au/share-donation-scheme-%E2%80%93-share-gift-australia</u>

(2) **Recommend a charity**

Shareholders are welcome to recommend their favourite charity where the value of the donation exceeds \$50. Donations are only made to Australian charitable organisations with eligible <u>Deductible Gift Recipient</u> (DGR) Item 1 status - refer <u>http://www.abn.business.gov.au/DgrListing.aspx</u>

(3) Shares are sold

ShareGift Australia arranges for the shares to be sold via their supporting stockbrokers who do not charge brokerage fees. A Sale Confirmation letter is sent to the donor for tax purposes, once the shares are sold. Donations over \$2 are tax deductible.

(4) Share sale proceeds are donated to charity

Each quarter, ShareGift Australia reviews all donors' charity recommendations and donates the share sale proceeds to support a wide variety of causes - refer <u>http://www.sharegiftaustralia.org.au/funding-policy</u>

More information can be found on the ShareGift Australia website at www.sharegiftaustralia.org.au.

¹ Children's Hospital Foundations Australia (<u>www.childrenshospitals.org.au</u>) is administered by the <u>Sydney Children's Hospital Foundation</u> Limited <u>ABN</u> 72 003 073 185, an endorsed Health Promotion Charity and '<u>Deductible Gift Recipient</u>' from 23 October 2010.

² ShareGift Australia ABN 27 086 590 485 is public ancillary fund; its Trustee is an endorsed charity and 'Deductible Gift Recipient' (DGR) from 1 July 2006.
