On 22 May 2003 a decrease in the value of the company's portfolio from 30 April 2003 to 21 May 2003 of 9.16% was reported.

It has come to our attention that this information was incorrect. The actual decrease for the stated period was 2.75%.

This error is a result of incorrect unit prices used in the valuation of the company's portfolio.

Yours faithfully,
