MARKET ANNOUNCEMENT

DECLARATION OF FINAL DIVIDEND

The Directors are pleased to announce the payment of a final dividend as follows:

<u>Dividend</u>	<u>Record Date</u>	<u>Expected Payment Date</u>	<u>Franking</u>
One cent per share	29 August 2006	31 August 2006	100% franked

Together with the interim dividend of one cent per share (full franked) paid on 26 April 2006, this constitutes a total dividend for the year of two cents per share full franked.

Full details of the financial performance of the Company will be contained in the audited 2006 Full Year Report which will be released shortly.

Dividend Reinvestment Plan (DRP)

The Board has determined that the DRP issue price will be at a 2.5% discount to the Company's volume weighted average price on ASX in the 5 day period up to and including the dividend record date. The Company will lodge a market announcement advising the final DRP issue price after the record date.

The DRP allows shareholders, at their election, to automatically invest some or all of their dividend income into additional shares. As there are no transaction costs incurred, it also provides shareholders with an economical and convenient way to purchase additional shares in the Company.

A copy of the DRP rules and related documentation may be obtained from the Company or downloaded from the Company's website.
